**Subject:** FW: ID draft BO comments from HECD  
**Attachments:** Idaho Toxics BO\_final draft\_HECD markup.docx

Wade compiled both HQ folks and Burt's comments into the attached document. Although they all include his name, they include comments from numerous individuals.

Let us know if you have any questions.

I apologize for letting this slip. Wade had sent these to me on the 5<sup>th</sup> and then I sent them to DEQ and was waiting to hear from DEQ as to whether they had any other comments they wanted to provide. To date, DEQ has not provided EPA with anything. I'm checking in with them today and will let you know.

Sorry about that, and thanks for reminding me Russ!
